

# Fostex®

The Fostex Model X-12 is the successor of the reputed entry model X-14 at a breakthrough unbelievable low price. While inheriting most of the attractive features of the X-14, the new X-12 has become the lowest-ever priced multitrack recorder.

Features include:

- Simple one-track recording of easy operation.
- Quick and easy Record Track Select button.
- 5-segment LED input level meter.
- Individual Playback level and Pan control
- Stereo Line Out and Headphone Out with Level control for stereo mastering or monitoring.
- Professional-like cosmetic design.
- Enhanced reliability of transport control with a larger flywheel.
